The U.S. Government intends to award a contract to the responsible company submitting an acceptable offer at the lowest price. We intend to award a contract based on initial quotations, without holding discussions, although we may hold discussions with companies in the competitive range if there is a need to do so.

Quotations are due by January 3, 2023. No quotations will be accepted after this time. Deadline for the submission of questions and enquiries is December 23, 2022. Proposals must be in English and incomplete proposals will not be accepted.

Your quotation must be submitted electronically to: MonroviaBids@state.gov.

In order for a quotation to be considered, you must also complete and submit the following:

6. Proof of SAM Registration

Failure to be registered at time of proposal submission may deem the offeror's proposal to be considered non-responsible and no further consideration will be given. Sincerely,

Matt A. Ellsworth
Contracting Officer

The Contractor shall provide Thirty Party Liability insurance coverage and management of the related services for all the U.S. Government owned official vehicles located in American Embassy Monrovia. This insurance shall include:

<u>Type of Coverage</u>	<u>Minimum Required Amount</u>
Bodily injuries (to include passengers riding in the vehicle other than the driver)	\$0.00 - US\$20,000.00
Property damage	\$0.00 - US\$5,000.00

Contractor's premiums shall include all costs including personnel, administration, management, labor, transportation, overhead and profit. All premiums shall be in United States Dollars.

PARTIAL ANNUAL PREMIUMS

Semi-Annual Premiums. Payments shall be made semi-annually. The semi-annual premium shall be computed by dividing the annual premiums by twelve.

Premiums for Vehicles Added or Removed During Period of Performance

Monthly Premiums. Premiums for vehicles added or deleted shall be computed on a monthly basis. Monthly premiums shall be computed by dividing the annual premiums by twelve.

Vehicles and Type of Insurance Coverage Added. Premiums for vehicles added to this contract or for which types of coverage are increased under this contract shall commence on the first day of the month in which the coverage is effective.

Vehicles and Type of Insurance Coverage Removed. Premiums for vehicles removed from coverage under this contract or for which types of coverage are deleted from this contract shall be paid through the last day of the month in which the vehicle or coverage is dropped.

ECONOMIC PRICE ADJUSTMENT

Premiums may be adjusted upward or downward based on the experience rating of the Mission(s) covered by this contract. No adjustment will be allowed during the first 12 months of the contract, but severe economic conditions may warrant semi-annual or quarterly adjustments. After such time, the Contractor or the Government may request an adjustment in premiums on an annual basis. Before any such adjustment is made, the Contractor agrees to provide the Government a balance sheet showing receipts (premiums received), payments (claims paid), the retention amount paid to the Contractor, and the difference between amounts received and paid. The Government reserves the right to have an independent third party review the balance sheet and make recommendations regarding the appropriateness of the requested adjustment. Any adjustment shall be subject to mutual agreement of the parties and shall result in a written modification to the contract. Any failure to reach agreement under this clause shall be subject to the procedures in the Disputes clause.

The rates may also be adjusted during the performance period of the contract as a result of laws enacted by the host Government, if such change in the laws has a direct impact on the cost to the Contractor to perform this contract at the contracted rate. In that event, the Contracting Officer may enter into negotiations with the Contractor to modify the contract to adjust the premium rate. The Contractor agrees to provide all documentation necessary to support any requested adjustment.

Managerial and Administrative Support

The Contractor shall furnish all managerial and administrative support necessary to furnish the insurance under this contract.

The Contractor shall provide a representative for the daily administration of this contract. This representative will meet with the Contracting Officer's Representative (COR) as needed. The representative shall hand carry original documents, such as accident reports, to the Contractor's office so that claims are received with the legally stipulated time of ten days. If the representative is absent, an alternate shall serve as a replacement. The alternate shall be familiar with this contract and all cases in progress.

Legal Assistance

If, and to the extent, authorized in advance by the United States Department of Justice and requested by the Contracting Officer, the Contractor shall provide legal services in case of any accidents that are brought into court involving vehicles covered by the Contractor's policy. This service shall include adjudication and management of every case through final resolution, even if the insurance policy has expired before the time of final resolution. There shall be no additional charge for this service.

The Contractor shall inform the Contracting Officer immediately if third parties threaten legal action as a result of inability to settle any accident.

The fact that the Embassy enjoys diplomatic immunity shall not in itself be a sufficient reason for refusing to settle any insurance case.

The Contractor understands the publicity caused by undue delay may embarrass the United States Government. The Contractor must agree to take proper and discreet action to settle each accident on its merits.

REPORTS

Monthly. The Contractor shall submit an individual status report for every vehicle involved in an accident, whether the case is pending or resolved. Each report shall cover information for the previous month.

Semi-Annual. The Contractor shall submit a report twice each year of all resolved cases explaining the circumstances and liability of the parties. This report shall cover the preceding six months.

These reports shall, as a minimum, contain the following information:

- Identification and license plate of Embassy vehicle
- Type of coverage
- Which party is liable for the accident and why
- Name and address of adverse party
- Name and address of adverse insurance company
- Current status of settlement, if pending explain why
- If a case is settled, give date of settlement, name of party who was reimbursed
- Date of reimbursement
- In case settlement payment is made directly to a garage, date of payment

This list shall include, as a minimum, the following items:

- The Contractor shall provide this list within ten (10) days of contract award. The Contractor shall update this list within ten (10) days of each contract modification that revises the vehicles to be insured.

INSURANCE DECALS

The Contractor shall provide the stickers and certificates for all covered vehicles within ten (10) days of contract award or contract modification.

PARTIAL ANNUAL PREMIUMS

Semi-Annual Premiums. Payments shall be made semi-annually. The semi-annual premium shall be computed by dividing the annual premiums by twelve.

Premiums for Vehicles Added or Removed During Period of Performance

Monthly Premiums. Premiums for vehicles added or deleted shall be computed on a monthly basis. Monthly premiums shall be computed by dividing the annual premiums by twelve.

Vehicles and Type of Insurance Coverage Added. Premiums for vehicles added to this contract or for which types of coverage are increased under this contract shall commence on the first day of the month in which the coverage is effective.

Vehicles and Type of Insurance Coverage Removed. Premiums for vehicles removed from coverage under this contract or for which types of coverage are deleted from this contract shall be paid through the last day of the month in which the vehicle or coverage is dropped.

ADMINISTRATIVE RETENTION AMOUNTS

If the Contractor requests a price adjustment, the Contractor must present cost experience data that includes the retention amount. For purposes of any economic price adjustment, this retention amount is a fixed amount that is a part of the premium amounts. This retention amount will not be adjusted for any reason.

The retention amount is part of the premium and may include, but not be limited to, such costs as overhead and general and administrative costs. It will also include any profit. Essentially, it includes all costs except the actual portion of the premium intended to fund claims paid.

The retention amounts per premium paid for each category of premium and for each period of performance.

52.229-12 TAX ON CERTAIN FOREIGN PROCUREMENTS—NOTICE AND REPRESENTATION (FEB 2021)

(a) *Definitions.* As used in this clause—

Foreign person means any person other than a United States person.

United States person, as defined in [26 U.S.C. 7701](#)(a)(30), means—

- (1) A citizen or resident of the United States;
- (2) A domestic partnership;
- (3) A domestic corporation;

(4) Any estate (other than a foreign estate, within the meaning of [26 U.S.C. 7701\(a\)\(31\)](#)); and

(5) Any trust if-

(i) A court within the United States is able to exercise primary supervision over the administration of the trust; and

(ii) One or more United States persons have the authority to control all substantial decisions of the trust.

(b) This clause applies only to foreign persons. It implements [26 U.S.C. 5000C](#) and its implementing regulations at 26 CFR 1.5000C-1 through 1.5000C-7.

(c)

(1) If the Contractor is a foreign person and has only a partial or no exemption to the withholding, the Contractor shall include the Department of the Treasury Internal Revenue Service Form W-14, Certificate of Foreign Contracting Party Receiving Federal Procurement Payments, with each voucher or invoice submitted under this contract throughout the period in which this status is applicable. The excise tax withholding is applied at the payment level, not at the contract level. The Contractor should revise each IRS Form W-14 submission to reflect the exemption (if any) that applies to that particular invoice, such as a different exemption applying. In the absence of a completed IRS Form W-14 accompanying a payment request, the default withholding percentage is 2 percent for the section 5000C withholding for that payment request. Information about IRS Form W-14 and its separate instructions is available via the internet at www.irs.gov/w14.

(2) If the Contractor is a foreign person and has indicated in its offer in the provision [52.229-11](#), Tax on Certain Foreign Procurements—Notice and Representation, that it is fully exempt from the withholding, and certified the full exemption on the IRS Form W-14, and if that full exemption no longer applies due to a change in circumstances during the performance of the contract that causes the Contractor to become subject to the withholding for the 2 percent excise tax then the Contractor shall—

(i) Notify the Contracting Officer within 30 days of a change in circumstances that causes the Contractor to be subject to the excise tax withholding under [26 U.S.C. 5000C](#); and

(ii) Comply with paragraph (c)(1) of this clause.

(d) The Government will withhold a full 2 percent of each payment unless the Contractor claims an exemption. If the Contractor enters a ratio in Line 12 of the IRS Form W-14, the result of Line 11 divided by Line 10, the Government will withhold from each payment an amount equal to 2 percent multiplied by the contract ratio. If the Contractor marks box 9 of the IRS Form W-14 (rather than completes Lines 10 through 12), the Contractor must identify and enter the specific exempt and nonexempt amounts in Line 15 of the IRS Form W-14; the Government will then withhold 2 percent only from the nonexempt amount. See the IRS Form W-14 and its instructions.

(e) Exemptions from the withholding under this clause are described at 26 CFR 1.5000C-1(d)(5) through (7). Any exemption claimed and self-certified on the IRS Form W-14 is subject to audit by the IRS. Any disputes regarding the imposition and collection of the 26 U.S.C. 5000C tax are adjudicated by the IRS as the 26 U.S.C. 5000C tax is a tax matter, not a contract issue.

(f) Taxes imposed under 26 U.S.C. 5000C may not be—

- (1) Included in the contract price; nor
- (2) Reimbursed.

(g) A taxpayer may, for a fee, seek advice from the Internal Revenue Service (IRS) as to the proper tax treatment of a transaction. This is called a private letter ruling. Also, the IRS may publish a revenue ruling, which is an official interpretation by the IRS of the Internal Revenue Code, related statutes, tax treaties, and regulations. A revenue ruling is the conclusion of the IRS on how the law is applied to a specific set of facts. For questions relating to the interpretation of the IRS regulations go to <https://www.irs.gov/help/tax-law-questions>.

(1) ☐ Are, ☐ are not presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any Federal agency;

(i) Taxes are considered delinquent if both of the following criteria apply:

(A) *The tax liability is finally determined.* The liability is finally determined if it has been assessed. A liability is not finally determined if there is a pending administrative or judicial challenge. In the case of a judicial challenge to the liability, the liability is not finally determined until all judicial appeal rights have been exhausted.

(B) *The taxpayer is delinquent in making payment.* A taxpayer is delinquent if the taxpayer has failed to pay the tax liability when full payment was due and required. A taxpayer is not delinquent in cases where enforced collection action is precluded.

(ii) *Examples.*

(A) The taxpayer has received a statutory notice of deficiency, under I.R.C. §6212, which entitles the taxpayer to seek Tax Court review of a proposed tax deficiency. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek Tax Court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(B) The IRS has filed a notice of Federal tax lien with respect to an assessed tax liability, and the taxpayer has been issued a notice under I.R.C. §6320 entitling the taxpayer to request a hearing with the IRS Office of Appeals contesting the lien filing, and to further appeal to the Tax Court if the IRS determines to sustain the lien filing. In the course of the hearing, the taxpayer is entitled to contest the underlying tax liability because the taxpayer has had no prior opportunity to contest the liability. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek tax

court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(C) The taxpayer has entered into an installment agreement pursuant to I.R.C. §6159. The taxpayer is making timely payments and is in full compliance with the agreement terms. The taxpayer is not delinquent because the taxpayer is not currently required to make full payment.

(D) The taxpayer has filed for bankruptcy protection. The taxpayer is not delinquent because enforced collection action is stayed under 11 U.S.C. §362 (the Bankruptcy Code).

(i) *Certification Regarding Knowledge of Child Labor for Listed End Products (Executive Order 13126).* [The Contracting Officer must list in paragraph (i)(1) any end products being acquired under this solicitation that are included in the List of Products Requiring Contractor Certification as to Forced or Indentured Child Labor, unless excluded at [22.1503\(b\)](#).]

[The contracting officer is to check a box to indicate if paragraph (k)(1) or (k)(2) applies.]

(1) Maintenance, calibration, or repair of certain equipment as described in FAR [22.1003-4](#)(c)(1). The offeror ☐ does ☐ does not certify that—

(iv) The compensation (wage and fringe benefits) plan for all service employees performing work under the contract is the same as that used for these employees and equivalent employees servicing commercial customers.

(3) If paragraph (k)(1) or (k)(2) of this clause applies—

(c) Exemptions from withholding under this provision are described at 26 CFR 1.5000C-1(d)(5) through (7). Any exemption claimed and self-certified on the IRS Form W-14 is subject to audit by the IRS. Any disputes regarding the imposition and collection of the 26 U.S.C. 5000C tax are adjudicated by the IRS as the 26 U.S.C. 5000C tax is a tax matter, not a contract issue. The IRS Form W-14 is provided to the acquiring agency rather than to the IRS.

(d) For purposes of withholding under 26 U.S.C. 5000C, the Offeror represents that—

(1) It ☐ is ☐ is not a foreign person; and

(1) The clause at FAR 52.229-12, Tax on Certain Foreign Procurements, will be included in any resulting contract; and

(2) The Offeror shall submit with its offer the IRS Form W-14. If the IRS Form W-14 is not submitted with the offer, exemptions will not be applied to any resulting contract and the Government will withhold a full 2 percent of each payment.

(f) If the Offeror selects “is” in paragraph (d)(1) and “partial or no exemption” in paragraph (d)(2) of this provision, the Offeror will be subject to withholding in

accordance with the clause at FAR 52.229-12, Tax on Certain Foreign Procurements, in any resulting contract.

(g) A taxpayer may, for a fee, seek advice from the Internal Revenue Service (IRS) as to the proper tax treatment of a transaction. This is called a private letter ruling. Also, the IRS may publish a revenue ruling, which is an official interpretation by the IRS of the Internal Revenue Code, related statutes, tax treaties, and regulations. A revenue ruling is the conclusion of the IRS on how the law is applied to a specific set of facts. **For questions relating to the interpretation of the IRS regulations go to <https://www.irs.gov/help/tax-law-questions>.**
